#FECCA2022 is the premier conference on multiculturalism and diversity & inclusion and will be the first opportunity for all of us to come together face-to-face after an enormously challenging period.

The conference will host multicultural communities, policy makers, service providers, academics and many more, over two big days of interesting presentations, speakers and topics.

We have received over 250 applications to speak and we expect well over 700 attendees in Melbourne next year.

Like you, we miss our friends and colleagues and we look forward to seeing you at the conference in March 2022.

SPEAKERS

Initial lineup of excellent speakers include Patricia Turner AM, Behrouz Boochani, Megan Davis, Kumi Taguchi, and Nyadol Nyuon.

CONFERENCE VENUE

Sofitel Melbourne will be welcoming you with their state of the art conference facilities and accommodation. Special accommodation rates are available for conference delegates.

SOCIAL FUNCTIONS

Attendees will be treated to a welcome reception on Wednesday night (9th March).

It will also not be a conference without the conference dinner. Book your tickets for a night of celebration, laughter and unforgettable memories (and don't forget to bring your dancing shoes!).

Visit www.fecca2022.org.au to secure your early bird tickets!

Acknowledgement of country

The Federation of Ethnic Communities' Councils of Australia acknowledges the Ngunnawal Peoples are the Traditional Custodians of this land on which we work. The neighbouring people are the Gundungurra to the north, the Ngarigo to the south, the Yuin on the coast, and the Wiradjuri inland. We recognise their continuing connection to culture, land, water, and community. We pay our respects to Elders past, present and emerging.
